

Amendments to the Drawings

Figure 2 has been amended to correct a typographical error. Specifically, the icons previously labeled as 140 in Fig. 2 are now labeled as 134 to be consistent with the description of Fig. 2 on page 11, lines 3-16 of the specification. A replacement sheet is being filed herewith. Due to the minor nature of this amendment, an annotated drawing sheet is not being submitted herewith.
